

ISP Rebates Procedures 2013/2014 School Year

Changes to the ISP Policy

Changes to the Policy

ISP rebate checks will be sent twice a year

* September through December will be paid at the end of December

* January through June will be paid at the end of June

The Legal Guardian will be required to submit one internet bill for the period (one internet bill for September, October, November or December and one internet bill for January, February, March, April, May or June)

– the ENTIRE bill is required and the address must match what we have on record

- The September –December bill is due by 12/5/2013
- The January – June bill is due by 06/5/2014

Those families who miss the deadline will have to wait for the next rebate check run

The ISP rebate check will be for the actual amount of the internet up to and not to exceed \$35.00 per month (if the actual cost of the internet is \$25.00 per month then the reimbursement will be \$25.00 per month)

If the household has no internet then there will be no rebate

Multiple Occupancy notarized document can be used to support documentation of a household if the person who signed the Multiple Occupancy is named on the internet bill
